APPEAL FROM THE DISTRICT COURT  
OF THE STATE OF ALASKA, THIRD JUDICIAL DISTRICT AT ANCHORAGE  
BRIAN CLARK, JUDGE

NOTICE TO COURT REGARDING LEGISLATIVE HISTORY

VRA CERTIFICATION

I certify that this document and its attachments do not contain (1) the name of a victim of a sexual offense listed in AS 12.61.140 or (2) a residence or business address or telephone number of a victim of or witness to any crime unless it is an address used to identify the place of the crime or it is an address or telephone number in a transcript of a court proceeding and disclosure of the information was ordered by the court.

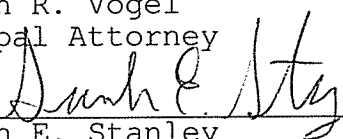

Comes now, the Municipality of Anchorage, and hereby files this Notice to Court Regarding Legislative History.

Yesterday the Municipality filed with the court minutes, ordinances, and audio related to the legislative history of the Family Violence ordinance. These documents were gathered by an attorney in the office with the much-appreciated assistance of the Municipal Clerk's office. The materials encompass every assembly meeting at which an ordinance relating to the Family Violence statute was enacted. It has now come to the attention of undersigned counsel that the assembly meetings prior to each "enacting" meeting were not searched for mention of the Family

Violence ordinance. Undersigned counsel will begin this search today. She deeply regrets that this was not done and takes full responsibility for the omission. It is unknown if this search will produce any more relevant material. Undersigned counsel expects she will be able to give an updated report to the Court by tomorrow. By tomorrow, she should at least be able to know whether there is mention of the ordinance in previous meetings. Gaining access to audio of those meetings might take longer.

The Municipality deeply regrets this delay, but is anxious to provide a complete record to the Court and to be candid about any possible omissions in yesterday's submission.

DATED at Anchorage, Alaska this 8th day of  
December, 2020.
